

## Store Me

This practical stroller bag is the perfect companion. It offers plenty of space thanks to its intelligent design. Two insulated bottle holders offer enough space for bottles or cups. The large main pocket provides ample storage space for diapers or jackets. These can be found easily and are always ready to hand due to the semi-transparent mesh fabric. A 10 cm large zip pocket keeps keys, money and your mobile phone safe and clean. Thanks to its practical fastening the Store Me can be fixed on all buggy and stroller handles.

Max. load capacity: 5 kg.

### Highlights:

- fits most strollers
- attaches to handle with Velcro fastening
- integrated cup holder
- flexible storage space due to the stretch fabric
